Welcome to the Luxury Furniture Company

Our only mission is to provide our valued clients with the most beautiful, luxurious and mind-blowing products. We specialise in designing, manufacturing, outsourcing and international shipping all around the world. We take pride in our collections and work with some of the best designers in the world.

On our website, you can find pieces that range from antique-style furniture all the way to modern and contemporary statement pieces.

Style your home according to your personality, as our products have become the first choice for clients all over the globe. We specialise in offering the highest quality bespoke service with which we can make custom alterations to all of our products.

Our furniture pieces speak for themselves. You will find glamorous and beautiful creations made from wood, gold leaf, silver leaf, brass, crystals, marble, stone and glass. Transform your home with latest and creative pieces which are handcrafted especially for you.

Luxury Bedroom Furniture

It is important to select cosy furniture for your bedroom. We have a range of stylish and luxury beds, bedside tables, cabinets, laundry chests of drawers, dressing tables and designer wardrobes which provide plenty of storage space and are designed to add warmth and elegance.

Our beds can be produced in any size that your heart desires. It doesn't just stop there as you can also have your bed upholstered in a larger range of materials which include fabrics and leathers that offer a comprehensive selection of colours.

Luxury Living Room Furniture

A living room is an important part of every home. It is the main entertainment area where every detail matters. Our expert craftsmen have crafted stylish and innovative pieces which include a nest of tables, luxury coffee and centre tables, designer console tables, shelving, lamp and side tables, display cabinets, bookcases, TV units, display columns, luxury vases and most importantly designer sofas that are built to provide ultimate relaxation and comfort. Our sofas can also be ordered with reclining mechanisms which are also a perfect addition to a home cinema room.

Our products have a bold and rich look which are prepared using the finest quality materials. Each piece has its own classical finish, grain detailing and exceptional presentation to transform the atmosphere of your living space.

Luxury Dining Room Furniture

A dining room is a vital part of our lives as it brings friends and families together. We have some of the most flawless dining tables which are available in oval, square, rectangular and round shapes with matching dining chairs that can be upholstered in fabric or leather to make a complete dining set. To store your crockery and other belongings, we offer to you a wide range of luxury and designer sideboards that come in a variety of sizes, colours and finishes.

For your kitchens and bars, we bring to you a collection of bar chairs and counter stools which are available in any finish and colour of your choice.

Luxury Children's Furniture

Children are imaginative and full of magical and creative pieces. We have worked hard with our designers to create a magical collection of fantasy pieces for little girls that include a mermaid bed, a princess bed and a lot more to transform a bedroom into a true fairytale. For little boys, we have created the pirate bed, a van bed and a space ship lounge which can all be found on our website.

Luxury Bathroom Furniture

Our team have worked hard in preparing the highest class bathrooms and bring to you a collection of luxury bathtubs, washbasins, sinks and cabinets. These luxurious designs are true masterpieces that will completely transform your bathroom and make you feel like you're in a 5-star hotel. Alterations can be made to each piece according to your preference.

Luxury Mirrors and Luxury Lighting

Brought to you by Luxury Furniture Company are stylish and the most eye-catching mirrors that come in a huge selection of finishes, materials, shapes and sizes. Mirrors have always been known for increasing the brightness of any room. Our statement mirrors are also a perfect addition when placed above the console and hall tables.

Lighting is another important aspect of our daily lives which is why we have gone to great lengths to introduce the most beautiful and luxury chandeliers, ceiling lamps, wall lamps and floor standing lamps. Once again, each piece can be produced in any size and finish of your choice.

Oak, Mahogany, Marble & Glass Furniture

We are proud to offer products which can be produced in almost any material. Each piece is handmade, refined and blended to create new exclusive designs that are built to stand the test of time. Our marble collections are mind-blowing and unique. We offer our clients over 50 different marble types and colours to choose from so the possibilities are endless.

Designer Furniture & Luxury Furniture

We work very closely with the world's top designers to produce the most eye-catching and unique pieces for our valued customers. Also available is a sourcing service so if you have seen a piece elsewhere that is of interest to you, simply provide us with the details and our specialist team will source it for you.

The luxury furniture ranges are created by using high-profile materials such as Swarovski crystals, gold leaf, Lapis Lazuli, Malachite and a wide variety of semi-precious stones which can also be used for walls and flooring. Simply browse through our Royal and Tiffany collection and see for yourself!

Designer Billiards, Pool & Snooker Tables

Gaming has always been famous amongst us all which is why we have launched a brand new collection of snooker and pool tables which are customisable in every way. Choose from modern and traditional designs in any colour of your choice. The professional table cloths come in a range of colours.

Luxury Office Furniture

We don't only specialise in dining room, living room and bedroom furniture. We also offer a great selection of pieces for offices which include designers and luxury desks, sofas and storage cabinets. Our desks are available in a large selection of materials and sizes.

Bespoke Furniture

Take advantage of our bespoke service where you can provide us with your specifications and we will produce the perfect piece for you from scratch. Our design team will put together a sketch for your approval before production begins. This option is most common with our hotel, leisure, yacht, developers, interior designers and architect clients.
